

New York Health Coverage Outreach and Enrollment Summits: Looking Back, Looking Forward

This series of regional events brings together community leaders and stakeholders to review the first year (2013-2014) of outreach and enrollment for New York State of Health.

The Central New York summit will engage statewide and local groups to examine best practices and begin to develop regional coordinated plans for the second year of open enrollment (Nov 15, 2014 – Feb 15, 2015).

Health advocacy groups, navigators, community groups, healthcare facilities, unions and small business representatives are all encouraged to attend. Over a million New Yorkers have already enrolled and we must continue this record of success next year!
