

New York Health Coverage Outreach and Enrollment Summits: *Looking Back, Looking Forward*

This series of regional events brings together community leaders and stakeholders to review the first year (2013-2014) of outreach and enrollment for New York State of Health.

The Queens/Brooklyn/Staten Island summit will engage statewide and local groups to examine best practices and begin to develop regional coordinated plans for the second year of open enrollment (Nov 15, 2014 – Feb 15, 2015).

Health advocacy groups, navigators, community groups, healthcare facilities, health plans, unions and small business representatives are all encouraged to attend. Over a million New Yorkers have already enrolled and we must continue this record of success next year!
