

New York Health Coverage Outreach and Enrollment Summits: *Looking Back, Looking Forward*

This series of regional events brings together community leaders and stakeholders to review the first year (2013-2014) of outreach and enrollment for New York State of Health.

The Buffalo summit welcomes all those who want to help the uninsured get covered! We will continue to develop regionally coordinated plans for the second year of open enrollment (Nov 15, 2014 – Feb 15, 2015).

Health advocacy groups, navigators, community groups, healthcare facilities, unions, health plans and small business representatives are all encouraged to attend. Over a million New Yorkers have already enrolled and we must continue this record of success next year!
