

# Medical Debt—Know Your Rights

## Patients' rights under New York State medical debt protections

### ***Hospital Financial Assistance***

All hospitals in New York are required to offer free or discounted care, called financial assistance, to patients who can't afford to pay their bills. You may qualify for hospital financial assistance if:

- You live in New York State
- Your income is below 400% of the federal poverty level
  - \$62,600 for a household of 1
  - \$106,600 for a household of 3
- You are uninsured or your medical bills amount to 10% of your annual income
- Hospitals must use this state-issued financial assistance form
- A hospital cannot consider either your immigration status or your assets when it reviews your application

### ***Medical Debt Protections***

- Hospitals cannot sue you for medical debt if your income is below 400% of the federal poverty level
- Medical providers, and their lawyers, cannot garnish your wages
- Medical debt cannot be listed on your credit report
- Medical providers, and their lawyers, cannot put a lien or foreclose on your home
- Medical providers cannot ask to keep your credit card on file
